

Appln. No.: 10/596,067

Amendment dated 7/16/2010

Reply to Office Communication of May 18, 2010

Amendments to the Specification:

Please cancel paragraphs [40.1] and [49.1] previously added to the specification in the amendment filed on May 5, 2010, replacing paragraph [40.1] with the following paragraph:

[40.1] Figure 7 shows the tube head of Figure 3 with an illustrative schematic representation of a pivoting cap with an electronic component.
